Yadeliz

I joined CECO in late February, and I truly have enjoyed getting to know everybody. The participants in the adult program never fail to teach me new things, they're fun, loving and they make me love my job. As an aspiring SLP, I've always enjoyed learning about language and communication so, seeing different ways each participant communicates, is a valuable experience for me.

Feel good, Friendship Feature

Starting in Fall 2025 we are going to spotlight some wonderful friendships and fun moments shared between friends. At CECO, the participants really enjoy being together and we wanted to share the love! This month we are spotlighting Ryan & Isabella.

Ryan and Isabella have been great friends for many years. They have both been at CECO even before the full time Adult Day Program started! Isabella is the programs biggest cheerleader and her favorite person to cheer on is Ryan. He loves hearing her say "GO!" when he is in his gait trainer or when he is going to kick a ball. Ryan loves to sit next to Isabella and they have good chats. Isabella and Ryan's friendship is something very special and we love seeing it grow over the years!

The Spark Store

The CECO Adult Day Program is excited to announce the Spark store cart will open in October. The Adults will be selling snacks and drinks. We are doing a soft opening during CECO program hours. We will keep everyone updated as to when we will be open at the beginning and end of the day so parents and friends can stop by!

CECOs Amazing Race- Wrap up Week

We started this month with the end of our Amazing Race summer theme. The participants loved reviewing all the countries they visited and all the competitions. Congratulations to our winners, the orange team!

CECO Royal Court – A new fall theme

Hear ye, hear ye! We have some royalty at the CECO Adult Day Program.

Our theme for this fall is, CECO Royal Court. The Adults will be learning about the importance of house names and banners. They created their own house banners with their friends. We will dive into Medieval themes and activities throughout the fall months.

Hispanic Heritage Month at CECO

“September was such an amazing month! My friends and I had so much fun celebrating Hispanic Heritage month and jumping into the traditions of different Hispanic countries. We also worked hard on a lot of behind the scenes job skills to make sure the Spark Store is up and running for October. We are all so excited for what is coming next Month! ”
